

**AFFIDAVIT OF ALVIN LEAPHART**

Personally appeared before me, the undersigned officer duly authorized to administer oaths, **ALVIN LEAPHART**, who, after being duly sworn, states under oath to the best of his personal knowledge and belief, the following:

My name is Alvin Leaphart. I am over 18 years of age, of sound mind, and under no legal disabilities. I have personal knowledge of the facts stated in this Affidavit.

I am an attorney living in Jesup, Wayne County, Georgia. I have been practicing criminal and civil law for more than 55 years in Southeast Georgia, and have been involved in more cases than I can count; in the thousands.

I am an attorney for Randall Miller and have personal knowledge of the criminal case against Mr. Miller in which he took a plea to protect his wife and two children on March 9<sup>th</sup>, 2015. This was the case involving the CSX train accident on the Doctortown Bridge, in which a member of a film crew was struck and killed by a train.

Since Mr. Miller's plea I have conducted several depositions of the local Assistant District Attorney, the detectives working the case, Rayonier employees as well as one person who while a full time employee of Rayonier, was an assistant county coroner, who was at the scene, and investigated the case.

As a result of the evidence that I have uncovered I met with FBI agent Reynolds, told him what knew about the case, after which we discussed probable civil rights violations as well as other criminal matters. A few days after our meeting I furnished him with a synopsis of the investigation. He informed me that an investigation is underway into the possible wrongful prosecution and incarceration of Mr. Miller.

This affidavit is given upon the best of my knowledge and belief.
